

How to request remote support with TeamViewer

Open the SUPPORT page of our website to read the information on the type of assistance provided.

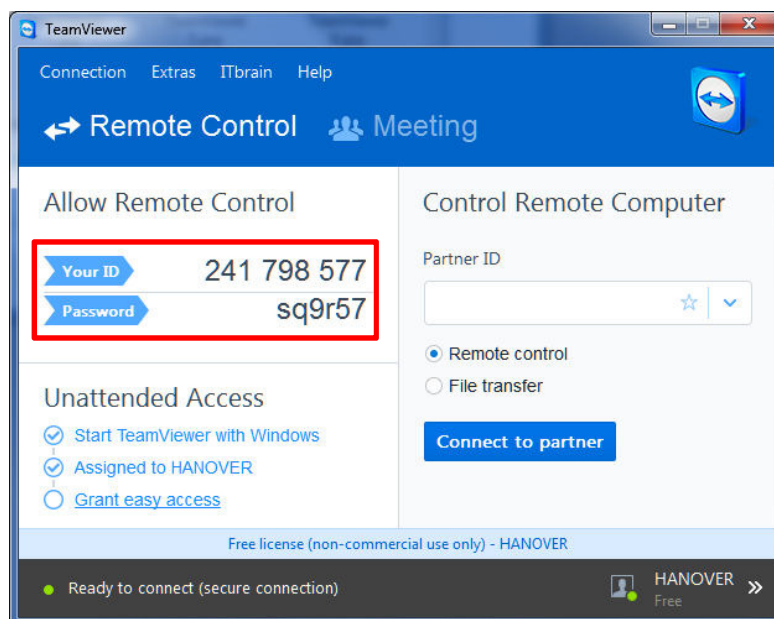

Download and install the free version of TeamViewer software by opening the link shown here.

<http://www.teamviewer.com/it/index.aspx>

Start TeamViewer and e-mail the following information to this address:

info@cncwebschool.com

- 📅 **time slot** during which you are available
- 📅 **Your ID** (as shown in the figure) e.g.: **241 798 577**
- 📅 **Password** (as shown in the figure) e.g.: **sq9r57**

We will reply as soon as possible by setting an appointment with a specialized technician.

Best regards
CNC Web School Service Team
